

TECHNICIAN REQUIREMENTS

Bridgewater Baptist Church
564 Glen Allen Dr, Bridgewater, NS
B4V 0B3 (902) 543-2178

Bridgewater Baptist welcomes the community to use our facility for public use. However, as a church we have specialized and expensive equipment and have experienced personnel that know how to use our equipment. If you require the use of our equipment please provide as much detail as possible about your event so that we can book the right person and equipment for you.

Name of Event/Organization

Event Date

Note: The following information is required to book the appropriate Technicians for your Event. Please check all that apply

- Sound Tech:** Responsible for all aspects of sound for musicians, speakers, bands, microphones. Tech sets stage for the requirements of the renter and monitors sound levels in auditorium.
- Video Tech:** Responsible for recording and/or live streaming event. Normally needs to be on site for programming and setup.
- Sanctuary Equipment
- Portable Sound Equipment
